To whom it may concern,

I am writing to enthusiastically recommend Scott Wildey for the graphic design position he is applying for. As a colleague of mine for 8 years, I have seen and benefited from his talent and work ethic first hand.

In my position as Communications Director at Flood Church, Scott and I worked closely together on many projects that included branding, logo creation, graphic design, formatting, and execution. He has the unique ability to take even the most tedious and rote information, like a quarterly financial report, and make it clear, concise, and visually appealing.

During his time at Flood, he managed a number of branding projects from conception to completion, including a multi-year, multi-million dollar building campaign. His vision and design were critical to the campaign's success.

Scott is consistently professional, courteous, and collaborative. He is a patient teacher and holds himself and his work to the highest standard of excellence. He is a delight to work with, and I wouldn't hesitate to work with him again.

Should you have any further questions about Scott, feel free to reach me at (541) 301-9887.

Best,
